2. Rotation & Personnel

2.1 Projected Starting Five

Projected rotation based on last 8 games substitution patterns

2.1b Rotation Patterns

Pos	Starter (MPG)	Primary Sub (MPG)	Secondary (MPG)	Rotation Pattern
G	#11 Takács (33')	#2 Zöldi (13')	—	Rests mid-Q1 & mid-Q2. Out ~min 6 and ~min 17. Stays in for Q4 crunch.
W	#7 Fekete (29')	#25 Karosi (14')	#14 Krasovec (10')	Most durable — fewest subs. First rest ~min 8. Often plays full Q4.
W	#9 Farkas (27')	#2 Zöldi (13')	#14 Krasovec (10')	Most rotated. Rests every quarter. Shared guard/wing backup with Zöldi.
C	#34 Olsz (22')	#15 Andrassy (14')	—	Clear 1-for-1 center swap (14x). Andrassy enters ~min 6 each half.
F	#12 Bérces (23')	#0 Halasy (11')	#20 Pleesz (12')	Most flexible — 3 backups. Pleesz is swing sub (also covers center).

MPG = predicted minutes per game (from sub tracking, last 8 games). (X') = avg minutes.
